**A BILL**

To establish an interagency program to assist countries in North Africa and West Africa to improve immediate and long-term capabilities to counter terrorist threats, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Trans-Sahara Counter-  
5 terrorism Partnership Program Act of 2021”.

6       **SEC. 2. SENSE OF CONGRESS.**

7       It is the sense of Congress that—

1           (1) terrorist and violent extremist organiza-  
2           tions, such as Al Qaeda in the Islamic Maghreb,  
3           Boko Haram, the Islamic State of West Africa, and  
4           other affiliated groups, have killed tens of thousands  
5           of innocent civilians, displaced populations, desta-  
6           bilized local and national governments, and caused  
7           mass human suffering in the affected communities;

8           (2) poor governance, political and economic  
9           marginalization, and lack of accountability for  
10          human rights abuses by security forces are drivers  
11          of extremism;

12          (3) it is in the national security interest of the  
13          United States—

14                 (A) to combat the spread of terrorism and  
15                 violent extremism; and

16                 (B) to build the capacity of partner coun-  
17                 tries to combat such threats in Africa;

18          (4) terrorist and violent extremist organizations  
19          exploit vulnerable and marginalized communities  
20          suffering from poverty, lack of economic opportunity  
21          (particularly among youth populations), corruption,  
22          and weak governance; and

23          (5) a comprehensive, coordinated interagency  
24          approach is needed to develop an effective strategy—

1 (A) to address the security challenges in  
2 the Sahel-Maghreb;

3 (B) to appropriately allocate resources and  
4 de-conflict programs; and

5 (C) to maximize the effectiveness of United  
6 States defense, diplomatic, and development ca-  
7 pabilities.

8 **SEC. 3. STATEMENT OF POLICY.**

9 It is the policy of the United States to assist coun-  
10 tries in North Africa and West Africa, and other allies  
11 and partners that are active in those regions, in combating  
12 terrorism and violent extremism through a coordinated  
13 interagency approach with a consistent strategy that ap-  
14 propriately balances security activities with diplomatic and  
15 development efforts to address the political, socioeconomic,  
16 governance, and development challenges in North Africa  
17 and West Africa that contribute to terrorism and violent  
18 extremism.
