1 Strike the preamble and insert the following:

Whereas June 6, 2019, marks the 75th anniversary of the Allied assault at Normandy, France, by troops of the United States, the United Kingdom, Canada, and Free France, known as “Operation Overlord”;

Whereas, before Operation Overlord, the German Army still occupied France and the Nazi government still had access to the raw materials and industrial capacity of Western Europe;

Whereas the naval phase of the Allied assault at Normandy was code-named “Operation Neptune”, and the date of

June 6, 1944, is referred to as “D-Day” to denote the day on which the combat attack was initiated;

Whereas the D-Day landing was the largest combined arms amphibious assault in history, consisting of—

(1) approximately 132,600 members of the Allied Expeditionary Force, including 57,500 members of the United States Armed Forces;

(2) more than 23,000 airborne troops supporting the seaborne landings;

(3) approximately 7,000 naval vessels; and

(4) more than 14,000 sorties by Allied aircraft;

Whereas soldiers of 6 divisions (3 from the United States, 2 from the United Kingdom, which included troops of Free France, and 1 from Canada) and 3 British armored brigades stormed ashore in 5 main landing areas on beaches in Normandy, which were code-named “Utah”, “Omaha”, “Gold”, “Juno”, and “Sword”;

Whereas, of the approximately 10,000 Allied casualties incurred on the first day of the landing, more than 6,000 were members of the United States Armed Forces;

Whereas the Allied assault and following operations were supported by ships, aircraft, and troops from Australia, Belgium, Czechoslovakia, Free Norway, Greece, the Netherlands, New Zealand, and the Polish Armed Forces in the West;

Whereas the advanced age of the last remaining veterans of, and the gradual disappearance of any living memory of, World War II and the Normandy landings make it necessary to increase activities intended to pass on the history of those events, particularly to younger generations;

Whereas the young people of Normandy and the United States have displayed unprecedented commitment to, and involvement in, celebrating—

- (1) the veterans of the Normandy landings; and
- (2) the freedom brought by those veterans in 1944;

Whereas the significant material remains of the Normandy landings found on the Normandy beaches and at the bottom of the sea in the territorial waters of France, such as shipwrecks and various items of military equipment, bear witness to the remarkable and unique nature of the material resources used by the Allied forces to execute the Normandy landings;

Whereas 5 Normandy beaches and a number of sites on the Normandy coast, including Pointe du Hoc, were the scene of the D-Day landings and constitute, and will for all time constitute—

- (1) a unique piece of world heritage; and
- (2) a symbol of peace and freedom, the unspoilt nature, integrity, and authenticity of which must be protected at all costs; and

Whereas the world owes a debt of gratitude to the members of the “Greatest Generation” who assumed the task of freeing the world from Nazi and Fascist regimes and restoring liberty to Europe: Now, therefore, be it
