A BILL

To amend the National Defense Authorization Act for Fiscal Year 2020 to modify the establishment of a coordinator for detained ISIS members and relevant displaced populations in Syria, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 ~~This Act may be cited as the “Syria Detainee and~~
5 ~~Displaced Persons Act”.~~

1 **SEC. 2. DEFINITIONS.**

2 In this Act:

3 (1) **APPROPRIATE COMMITTEES OF CON-**
4 **GRESS.**—The term “appropriate committees of Con-

5 gress” means—
6 (A) the Committee on Armed Services, the
7 Committee on Foreign Relations, the Com-
8 mittee on the Judiciary, the Committee on
9 Banking, Housing, and Urban Affairs, the Se-
10 lect Committee on Intelligence, and the Com-
11 mittee on Appropriations of the Senate; and

12 (B) the Committee on Armed Services, the
13 Committee on Foreign Affairs, the Committee
14 on the Judiciary, the Committee on Financial
15 Services, the Permanent Select Committee on
16 Intelligence, and the Committee on Appropria-
17 tions of the House of Representatives.

18 (2) **ISIS MEMBER.**—The term “ISIS member”
19 means a person who was part of, or substantially
20 supported, the Islamic State in Iraq and Syria.

21 (3) **SENIOR COORDINATOR.**—The term “Senior
22 Coordinator” means the coordinator for detained
23 ISIS members and relevant displaced populations in
24 Syria designated under subsection (a) of section
25 1224 of the National Defense Authorization Act for

1 Fiscal Year 2020 (Public Law 116–92, 133 Stat.
2 1642), as amended by section 5.

3 **SEC. 3. FINDINGS; SENSE OF CONGRESS.**

4 (a) FINDINGS.—Congress makes the following find-
5 ings:

6 (1) The Islamic State of Iraq and Syria (ISIS)
7 rose to power in 2013 and reached its territorial
8 peak in December 2014.

9 (2) After the territorial defeat of ISIS in 2019,
10 displacement camps began to house detained alleged
11 ISIS members and families with perceived ISIS af-
12 filiation.

13 (3) The al-Hol and Roj displacement camps, lo-
14 cated in Syria near the Syria-Iraq border, now house
15 a significant number of individuals affiliated with
16 ISIS who live alongside other displaced persons.

17 (4) The al-Hol camp currently contains ap-
18 proximately 56,000 residents—

19 (A) an estimated 80 percent of whom are
20 women and children; and

21 (B) an estimated 50 percent of whom are
22 under 12 years of age.

23 (5) The al-Hol camp is severely underdeveloped,
24 with ragged tents, primitive water and sewage facili-

1 ties, and few healthcare facilities or safe spaces for
2 education.

3 (6) International organizations working in the
4 al-Hol and Roj camps, including Save the Children,
5 Doctors Without Borders, and the Norwegian Ref-
6 ugee Council, have all expressed concerns about poor
7 living conditions, criminal behavior, and death
8 threats against volunteers at the camps.

9 (7) The Syrian Democratic Forces, essential
10 partners in the ongoing fight to achieve an enduring
11 defeat of ISIS, and who are responsible for guarding
12 the al-Hol camp and other similar camps, assert
13 that they lack the resources to properly secure such
14 camps.

15 (8) The United States currently has troops de-
16 ployed in Syria to ensure the enduring defeat of
17 ISIS and support the Syrian Democratic Forces.

18 (9) In 2021, 90 incidents of violence were re-
19 ported inside the al-Hol camp. Syrian and Iraqi
20 camp residents and at least 2 aid workers were
21 killed during such incidents.

22 (10) Nearly 8,000 of the residents of the al-Hol
23 camp come from roughly 55 countries other than
24 Syria or Iraq, but such other countries have been
25 slow to acknowledge repatriation requests.

1 (11) Learning centers in the camps have closed
2 because of COVID-19. Lacking formal education,
3 some of the roughly 28,000 children inside the al-
4 Hol camp are being taught by their mothers and are
5 potentially being indoctrinated with ISIS ideology.

6 (12) The Syrian Democratic Forces operate 28
7 prisons that house approximately 12,000 captured
8 ISIS fighters and supporters.

9 (13) In January 2022, 10 ISIS fighters entered
10 the Hasakah prison and sought to liberate the ap-
11 proximately 5,000 ISIS prisoners. After a 10-day
12 battle, hundreds of ISIS fighters were able to es-
13 cape, and their whereabouts are still unknown.

14 (14) Beginning approximately on August 25,
15 2022, and ending approximately on September 18,
16 2022, Syrian Democratic Forces, supported by
17 United States troops, conducted an extensive secu-
18 rity sweep of the al-Hol displaced persons camp, ar-
19 resting 300 ISIS operatives, confiscating explosives,
20 and liberating 6 women who had been enslaved by
21 ISIS, at least 1 of whom had been so enslaved since
22 she was a child.

23 (15) In April 2022, General Michael “Erik”
24 Kurilla, Commander of the United States Central
25 Command, became the first senior official of United

1 States Armed Forces to inspect the al-Hol camp and
2 Hasakah prison. General Kurilla has described the
3 ISIS detainees as “an ISIS army-in-waiting” that
4 “requires a whole-of-government approach focused
5 on engagement with allies and partners.”

6 (16) The first trial on United States soil of a
7 major ISIS figure occurred in April 2022. The ISIS
8 terrorist was sentenced to life in prison for his role
9 in the kidnapping and murder of James Foley, Peter
10 Kassig, Steven Sotloff, and Kayla Mueller.

11 (b) SENSE OF CONGRESS.—It is the sense of Con-
12 gress that—

13 (1) ISIS detainees held by the Syrian Demo-
14 cratic Forces and ISIS-affiliated individuals located
15 within displaced persons camps in Syria pose a sig-
16 nificant and growing humanitarian challenge and se-
17 curity threat to the region;

18 (2) there is an urgent need to seek a sustain-
19 able solution to such camps through repatriation and
20 reintegration of the inhabitants;

21 (3) the United States should work closely with
22 international allies and partners to facilitate the re-
23 patriation and reintegration efforts required to pro-
24 vide a long-term solution for such camps and pre-
25 vent the resurgence of ISIS; and

1 (4) if left unaddressed, such camps will con-
2 tinue to be drivers of instability that jeopardize the
3 long-term prospects for peace and stability in the re-
4 gion.

5 **SEC. 4. STATEMENT OF POLICY.**

6 It is the policy of the United States that—

7 (1) ISIS-affiliated individuals located within
8 displacement camps in Syria, and other inhabitants
9 of displacement camps in Syria, be repatriated or,
10 where appropriate, prosecuted, and where possible,
11 reintegrated into their country of origin, consistent
12 with all applicable international laws prohibiting
13 refoulement; and

14 (2) the camps will be closed as soon as is prac-
15 ticable.

16 **SEC. 5. MODIFICATION OF ESTABLISHMENT OF COORDI-**
17 **NATOR FOR DETAINED ISIS MEMBERS AND**
18 **RELEVANT DISPLACED POPULATIONS IN**
19 **SYRIA.**
