MESSAGE

FROM

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

Protocol to the North Atlantic Treaty of 1949 on the Accession of Montenegro

June 28, 2016 - Treaty was read the first time, and together with the accompanying papers, referred to the Committee on Foreign Relations and order to be printed for the use of the Senate.

U.S. GOVERNMENT PRINTING OFFICE
WASHINGTON: 2016

TO THE SENATE OF THE UNITED STATES:

I transmit herewith, for Senate advice and consent to ratification, the Protocol to the North Atlantic Treaty of 1949 on the Accession of Montenegro. This Protocol was signed in Brussels on May 19, 2016, on behalf of the United States and the other Parties to the North Atlantic Treaty. Also transmitted for the information of the Senate is an overview of the Protocol by the Department of State. Full ratification of the Protocol by the United States and our allies will allow Montenegro to become a Party to the North Atlantic Treaty and a member of the North Atlantic Treaty Organization (NATO).

Article 10 of the North Atlantic Treaty, which outlines NATO's Open Door policy, is part of the doctrinal foundation of the Alliance. Montenegro's accession to NATO will demonstrate to other countries in the Balkans and beyond that NATO's door remains open to nations that undertake the reforms necessary to meet NATO's requirements and contribute to the security of the Alliance, and is yet another milestone in advancing the Euro-Atlantic integration of the Balkans. I am pleased that, with the advice and consent of the Senate, and the ratifications of this Protocol by our NATO allies, Montenegro can soon join us as a member of this great Alliance.

I ask the Senate to continue working with me in advancing a Europe whole, free, and at peace by providing its prompt advice and consent to ratification for this Protocol of Accession. My Administration stands ready to brief and assist you in your deliberations.

THE WHITE HOUSE,

June 28, 2016.

THE SECRETARY OF STATE
WASHINGTON
June 20, 2016

The President:

I have the honor to submit to you, with a view to its transmission to the Senate for advice and consent to ratification, the Protocol to the North Atlantic Treaty on the Accession of Montenegro (“Protocol”). A brief overview of the Protocol is enclosed. The Protocol was opened for signature at Brussels May 19, 2016, and was signed that day on behalf of the United States of America and the other parties to the North Atlantic Treaty.

The Protocol proposes allowing Montenegro to become a party to the North Atlantic Treaty of 1949, which would make Montenegro a member of NATO, with all the privileges and responsibilities that apply to current NATO Allies. The core commitment to Montenegro will be embodied in the existing text of the North Atlantic Treaty, including the central collective defense provision in Article 5. I believe Montenegro merits this commitment on our part, that it shares our common commitment to democratic values, and is prepared to act as a responsible Ally.

The U.S. decision to pursue the enlargement of NATO has had bipartisan support across several administrations. I am, therefore, confident the Senate will

The President,

The White House.

grant its advice and consent to ratification of this Protocol, after due deliberation, without hesitation.

Montenegro has made the difficult decisions needed to advance reforms and become a vibrant democracy. Its accession to the North Atlantic Treaty and membership in the NATO Alliance will be a major step towards realizing your vision of a Europe whole, free, and at peace.

Respectfully submitted,

Enclosures: As stated.
